Carey Olsen partners make 2010 Leading Lawyers list

LAW firm Carey Olsen is celebrating the inclusion of five of its Guernsey based partners in the recent Citywealth Leaders List.

Deputy managing partner Russell Clark has been recognised in the Honours List and fiduciary partners Michael Eades and Konrad Friedlaender are listed as Prominent Figures. Additionally, Guernsey's managing partner, John Greenfield, and group partner Paul Buckle have been named as Prominent Figures in the contentious trust practice area.

The fourth annual leaders list, which is compiled by Citywealth magazine, profiles noted practitioners from across the private client sector. The list is a result of extensive in-depth research by Citywealth, with endorsements for the individuals being collated from peers and clients, including references and testimonials. Listed Lawyers are considered part of the Citywealth 'royal circle' and have been acknowledged for having first-rate expertise in their respective fields and for delivering excellent client service.

'Having five Guernsey partners on this year's list reinforces our clients' confidence in the services that we provide' said managing partner, John Greenfield.

'The high calibre of the individuals listed shows the strength of Guernsey as a jurisdiction for private client work. When one adds the listing of our Jersey partners as well, this cements Carey Olsen as one of the leading firms in the Channel Island market place.'
