**Six partners named in leaders list**

Six partners from the Carey Olsen fiduciary law group have been named in the Citywealth Leaders List 2009.

The list, compiled by Citywealth Magazine, details prominent figures from across the legal sector.

Partners Paul Matthams and Russell Clark have been listed as ‘leading lawyers’, while the firm’s chairman Anthony Olsen and managing partner John Greenfield are named as ‘leading trustees’.

John Greenfield also features, along with partners Paul Buckle and Robert MacRae, as a prominent figure in contentious trusts.

Citywealth’s fourth annual list is the result of extensive, in-depth research consisting of numerous interviews, meetings, telephone conversations and emails and all names have been put forward confidentially by private clients or peer recommendation. References, testimonials and confidential research have also been undertaken.

Those listed are acknowledged to possess a sterling reputation for expertise in their respective field and to deliver first-class client service.

Managing partner in Carey Olsen’s Guernsey office John Greenfield said: “With six partners featuring in a list of the top lawyers in the UK it shows the strength in depth of the fiduciary team at Carey Olsen. The high calibre of individual on the leaders list reflects the high standing of our partners in the legal community and the confidence our clients have in the services provided by the firm.”
