

## British Virgin Islands

Our BVI office was established in 2013 and our experienced team has an in-depth knowledge of BVI's law and regulation that spans two decades.

We offer our clients the full range of legal advice regarding corporate and finance, investment funds, dispute resolution, insolvency, trusts and private wealth. We have the international experience to provide accurate, efficient legal services for all transactions involving the BVI, including where BVI entities form part of a wider multi-jurisdictional structure. We also provide clients with access to BVI company management services through our affiliate CO Services.
