

CAREY OLSEN

Cape Town

Our Cape Town office is a key component of Carey Olsen’s work in Africa much of which is linked to offshore jurisdictions such as the British Virgin Islands (BVI) and Jersey.

In 2013 we became the first offshore law firm to establish an office in Cape Town. Through this office our legal team is well positioned to provide clients based in Africa with direct access to our offshore legal services.

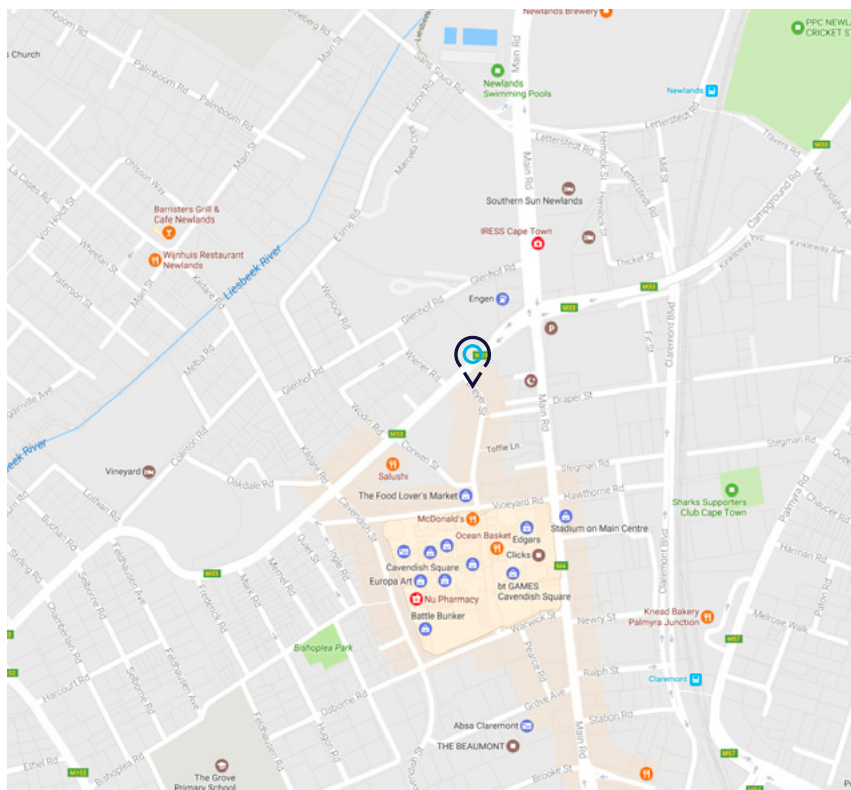

Our local office acts as a convenient liaison point for our other offshore locations in the British Virgin Islands, Cayman Islands, Guernsey and Jersey.
