

Cayman Islands

The office has grown rapidly since its launch in 2012, quickly establishing its credentials with leading onshore law firms and with both institutional and non-institutional clients in the Cayman Islands and internationally.

Our clients have become accustomed to a responsive, partner-led service that provides timely and high-quality legal advice, grounded in commercial reality.

We also have Cayman Islands-qualified lawyers in our Hong Kong and Singapore offices ensuring we are able to provide legal advice to our clients in Asia in their own time zones.
