

Carey Olsen in Hong Kong

Our Hong Kong office provides clients in Asia with direct access to specialist Bermuda, British Virgin Islands and Cayman Islands lawyers in their own time zone and within the context of their own commercial environments.

Our Hong Kong lawyers offer genuine multi-lingual capability with English, Cantonese, Mandarin and Shanghainese capabilities and have an established a track record for providing effective, timely and commercially-astute advice on an extensive range of matters and transactions.

We provide legal services in relation to banking and finance, corporate and commercial (including mergers and acquisitions and capital markets), investment funds, private client work, regulatory, dispute resolution and litigation, and restructuring and insolvency.

The scale of our practice enables us to structure a team appropriate to our role and as a full service firm we can draw on specialists from our regulatory, private client, employment, litigation and property teams to advise on the wider elements of a transaction, as required.

Clients include global financial institutions, investment funds, private equity houses, multinational corporations, public organisations, corporate services firms, fund administration companies, sovereign wealth funds, high-net-worth individuals, family offices and trustees.

We work alongside Asia-Pacific’s leading regional and domestic law firms, including the Chinese ‘Red Circle’ law firms, all the world’s largest international law firms, accountancy firms and insolvency practitioners. We believe that we are the only offshore law firm to employ PRC qualified lawyers from top tier firms to interface with Mainland Chinese clients and intermediaries.

We advise on listings on the major exchanges of Hong Kong (Main Board and GEM), China (SSE STAR Market), Australia (ASX and NSX), Malaysia (Bursa Malaysia), the UK (LSE), Europe (Euronext), the USA (NYSE and NASDAQ), the Cayman Islands (CSX) and the Channel Islands (TISE).

Our Hong Kong team also work seamlessly with the wider group to facilitate Guernsey and Jersey legal advice for Asia-based clients and corporate services for companies domiciled in Bermuda, the BVI and the Cayman Islands.

Carey Olsen is a leading offshore law firm advising on the laws of Bermuda, the British Virgin Islands, the Cayman Islands, Guernsey and Jersey from a network of nine international offices.

We provide legal services in relation to all aspects of corporate and finance, trusts and private wealth, investment funds, insolvency, restructuring and dispute resolution.

Our clients include global financial institutions, investment funds, private equity and real estate houses,

multinational corporations, public organisations, sovereign wealth funds, high net worth individuals, family offices, directors, trustees and private clients.

We work with leading onshore legal advisers on international transactions and cases involving our jurisdictions.

In the face of opportunities and challenges, our clients know that the advice and guidance they receive from us will be based on a complete understanding of their goals and objectives combined with consistently high levels of client service, technical excellence and commercial insight.
