

Mergers and Acquisitions

Carey Olsen is one of the leading offshore law firms for mergers and acquisitions (M&A) advice with a global corporate team comprising 30 partners and over 150 lawyers working across nine international offices.

Many of our partners and lawyers trained and worked at leading onshore law firms before joining Carey Olsen and this, combined with the scale of our firm, enables us to provide a service that is highly responsive, commercial and tailored to your requirements.

“Strong commercial awareness and sound sector expertise.”

IFLR1000

We have been involved in a number of the most significant cross-border M&A transactions to involve Bermuda, the British Virgin Islands (BVI), the Cayman Islands, Guernsey and Jersey in recent years, and for over a decade we have advised more clients listed on the London Stock Exchange (LSE) than any other offshore law firm.

Our corporate team provides exceptional legal and commercially-sound advice in relation to M&As, IPOs

and equity capital markets transactions, joint ventures, schemes of arrangement, corporate regulation, compliance, corporate structuring, competition law, cybersecurity and data protection, and insurance and banking law.

We advise over 90 LSE-listed clients.

Our corporate team is further complemented by experts in our banking and finance and litigation teams who can provide specialist advice on transactions, as required.

Our clients include multinational corporations, private equity and venture capital managers, family offices, sovereign wealth funds and international investment banks as well as their financial advisers.

We work with and are regularly instructed by all 25 of the world's largest international law firms, and we are consistently ranked as one of the leading offshore firms for M&A advice by independent market authorities.
