

CAREY OLSEN

Private Equity and Venture Capital

Carey Olsen has one of the largest private equity and venture capital practices in the offshore world - advising clients on the laws of the British Virgin Islands, the Cayman Islands, Bermuda, Guernsey and Jersey.

Our private equity and venture capital team comprises over 20 partners and a total complement of more than 70 lawyers, many of whom trained and worked at leading international law firms. This pedigree enables us to deliver the highest levels of technical skill and client service.

“Undoubtedly the “go-to” firm for offshore funds work.”

[The Legal 500](#)

Our team advises on all aspects of private equity and venture capital from initial fund structurings and formation, fundraisings and financings to listings, buyouts, acquisitions and disposals as well as portfolio restructuring and disputes.

We advise public and private funds across all major asset classes, including credit and debt funds, clean tech/green

funds, real estate funds, retail and listed funds, private equity funds, venture capital funds, hedge funds, infrastructure funds and crypto funds.

Our clients include many of the world's leading private equity houses, venture capital funds, investment and private banks, institutional investors, boutique investment firms, insurance groups and pension funds as well as specialist private equity funds. We have also acted for a significant number of target companies in private equity / venture capital transactions across a wide range of industry sectors.

 9/10

We advise 9/10 of the world's largest private equity firms.

We have longstanding relationships with all of the top 25 international law firms and work with them on a regular and repeat basis.

We are consistently ranked as a top tier law firm for private equity and venture capital work, which reflects the strength and depth of our expertise in this sector.
