

James Willmott

Partner, Jersey

D +44 (0)1534 822307

E james.willmott@careyolsen.com

James' practice covers a wide range of corporate activities with a focus on mergers and acquisitions, IPOs and private equity transactions. He also has significant experience advising on joint ventures, reorganisations, start-ups and technical and regulatory matters (in particular company law and competition, insurance, banking and other financial services regulation).

His recent experience includes advising checkout.com on its Series B fundraising, Ports of Jersey and the Government of Jersey in connection with British regional airline Blue Islands and Marsh & McLennan Companies on the acquisition of Jardine Lloyd Thompson.

James' clients include LSE Main Market, NYSE, Nasdaq, AIM and TISE listed companies, global financial institutions including banks, insurance companies and brokers, investment managers and fintech businesses, natural resources companies and international retail groups. He also has a strong local M&A and corporate advisory practice.

James has featured in The Jersey & Guernsey Law Review 2017, having authored an article on Filing of Shareholder Agreements and external documents: Jersey Law Practice.

James is rated as a 'Leading Lawyer - Rising star' in IFLR1000 2020.

Career

James began his career at Allen & Overy, where he worked in London, Singapore and Bratislava. Before joining Carey Olsen in 2010 he also worked at Jones Day in Singapore and Pinsent Masons in Birmingham. He was admitted as an English solicitor in 2004 and a Jersey advocate in 2013, and became a partner at Carey Olsen in 2016. James also has experience working as in-house counsel for a UK-based power project developer.

He is an alumnus of King's College, London, Nottingham Law School and the Institute of Law, Jersey.
